Just Over 5 Years Ago, The VPD Allowed A Man, A Squatter, To Assault Me, Attack Me In The Foyer Of My Apartment The Day Before I Was To Begin Publication of TheUniter.com in 2016.

The trauma caused by the police telling me to “walk it off” destroyed my ability to publish, 100% made me homeless shortly afterward in 2016 w/me almost killing myself off the Burrard Bridge at the end of July in 2018, due in part to them.

The same thing happened again yesterday, just as I was going to restart, to start publishing now. Attacked, now with property destroyed but this time...

Corrupt, Authoritarian Fascist?

You Decide. Meet VPD Chief Adam Palmer.

I WILL NOT ALLOW THE VPD TO STOP ME PUBLISHING AGAIN!

Please go online to see the Office Of The Police Complaint Commissioner, OPCC complaint I filed August 10th, w/video & audio then please call or email city council demanding Chief Palmer be removed from active duty:

“Canada was supposed to stop violence, prevent violent revolution yet the VPD are actively promoting violent rebellion with their behaviour, their corruption.

Again, for emphasis, Chief Palmer is corrupt and must be publicly removed from active duty.”
